**Product specification**

|  |                   |                |
|--|-------------------|----------------|
| Total nitrogen (N) content:                          | m/m%              | 15,0 ± 0,5     |
| of which:  |                   |                |
| ammonia nitrogen (N-NH <sub>3</sub> ) content:       | m/m%              | 6,0 ± 0,3      |
| amide nitrogen (N-NH <sub>2</sub> ) content:         | m/m%              | 9,0 ± 0,4      |
| Phosphorus (P <sub>2</sub> O <sub>5</sub> ) content: | m/m%              | 30,0 ± 0,9     |
| Potassium(K <sub>2</sub> O) content:                 | m/m%              | 15,0 ± 0,5     |
| Sulfur trioxid (SO <sub>3</sub> ) content:           | m/m%              | 13,0 ± 0,4     |
| <i>Microelement:</i>                                 | m/m%              | 0,2 ± 0,01     |
| Boron (B) content:                                   | m/m%              | 0,01 ± 0,001   |
| Copper (Cu) content:                                 | m/m%              | 0,014 ± 0,01   |
| Iron (Fe) content:                                   | m/m%              | 0,133 ± 0,05   |
| Manganese (Mn) content:                              | m/m%              | 0,025 ± 0,0005 |
| Molybdenium (Mo) content:                            | m/m%              | 0,001 ± 0,0001 |
| Zinc (Zn) content:                                   | m/m%              | 0,017 ± 0,005  |
| Biuret content:                                      | m/m%              | max. 0,1       |
| pH (20°C) range (10% solution):                      |                   | 3,8 ± 0,5      |
| Density (20°C):                                      | g/cm <sup>3</sup> | - (solid)      |
| Color:   |                   | pink           |
